

In the Loop

Warwick HS Highlights

We begin celebrating Hispanic Heritage Month on **September 15**, which is the anniversary of independence for 5 countries:

Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua.

Mexico's Independence Day is **September 16** and **Chile's** is **September 18**. We extend into October because **October 12** is known as "El Dia de la Raza," or "The Day of the Race."

It is a day celebrating the many nationalities present in the history of Mexico, Central America, and South America including Native Americans such as the Mayas, Aztecs and Incas; and European nationalities such as Spanish, Portuguese, and French.

According to the U.S. Census Bureau, being **Hispanic** refers to someone whose origins are from Mexico, Puerto Rico, Cuba, Central America and the countries of South America where Spanish is the primary language.
