LET'S GO RAIDERS!

WHS Girl-Up had a wonderful trip to the Centennial Rally for Equal Rights in Richmond on Feb. 16th, 2016. They met with Sen. John Miller and Newport News Del. Marcia Price (WHS IB graduate) and talked with them about the Equal Rights Amendment and important education issues.

200+ Men Caravan to Richmond. Five WHS young men were engaged with the governor as well as Virginia senators and delegates such as Marcia Price and Lashrecse Aird. The governor's comments about eliminating the "School to prison pipeline" were enlightening and challenging to all in attendance.

Mrs. Faulk attended Hines MS Honor Roll Assembly and spoke with their rising 9th graders. It was an excellent opportunity to get them excited about their next step to high school.

Congratulations to **Sean Wells and Jacob Kelly** for being selected as National Merit Finalist. They are the only two finalists in the city of Newport News including private schools.
