### SPORTS Nation

Congratulations to the JV girls soccer team for their win over Heritage last night. **The girls won 8-0**. Goals were scored by Emily Wollard, Rachel Anthony, Mayra Alchapar, Mikayla Hampton, and Danica Allida. Shout out to **Danica** for scoring 4 goals for the Raiders! Keep up the hard work JV soccer!

## LET'S GO RAIDERS!

Huge congratulations to **Warwick's Sweet Harmony** and **Warwickshire Singers** Choirs. Both of these groups represented Warwick High School at a Choral Assessment Adjudication last weekend, and received the highest score of a Superior rating.

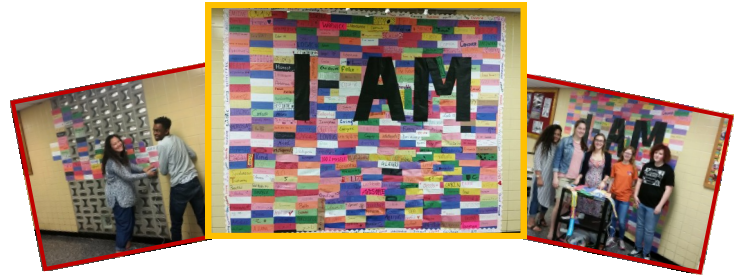

The Warwickshire Singers accomplished this while performing music in the level 6 category - the most difficult and demanding. In addition, Warwickshire Singers rose to the occasion and sight read a piece in the level 4 category – the highest level for the music reading portion, and received a Superior rating in this category as well. There weren't any other schools to attempt a level 6 and receive a Superior rating other than Warwick High School. We are extremely proud of the hard work, dedication, and talent of our choral students!

The Warwick High School Music Department proudly boasts of Warwick's results for this year's District VIII All State auditions. **Cam'ryn Rascoe** was named highest ranking Bass II Delegate, **Laina Crawford** was named Alto I Delegate, **Erin Moore** was named Alto II 1st Alternate, **Kyrah Holland** was named Alto I first Alternate, and **India Carle** was named Soprano I 2nd Alternate. The Delegates will move on to be a part of the prestigious All State Choir that will perform in Virginia Beach, VA next month, and join other top ranking vocal students from across the state.

## YOUTH DEVELOPMENT

During the last two weeks students from different classes worked on the **"I AM" wall** put up in front of the cafeteria. This is an affirmation wall made of handwritten positive traits.

**Furs, Fins, Feathers & Friends.** On Saturday, March 19th, Warwick High School participated in the **Odyssey of the Mind Regional Tournament**. There were two parts to the competition: Long-term problem and spontaneous which could be a variety of problems, from hands-on

where they had to build something, verbal, where they had to come up with creative and witty sayings, or hands-on verbal, a combination of the two. Students had to perform a dramatic skit to solve a problem. The mini play had to be completed in under 8 minutes and use a maximum budget of \$125 USD. Our students did an amazing job!

State Competition will be at Menchville on April 16th.

A warm welcome to our a new club in our school: the **Criminal Justice Club**, sponsored by our SRO, Officer Hugh Blanchard.
