

## CAS PLAN

**Name:** \_\_\_\_\_

Your plan will most probably adapt over time as you reflect on your activities and your interests and preferences change. This plan is not set in stone, but is an excellent place to start.

	Activity description
A group activity where you will collaborate with others	
An activity that combines two of creativity, action or service	
An activity that will be a new challenge to you	
An activity that will be an extension of an existing one	
An activity where you will learn a new skill	
Involvement with international projects (either locally, nationally, or internationally)	
An activity that will involve collaboration with others	
An activity that you will initiate	

What elective classes are you taking?

Which international project will you be involved in?

List all your planned activities mentioned above, in the appropriate column(s),
